# A LETTER FROM THE EXECUTIVE DIRECTOR

Dear Tri-Valley Haven Champion,

As a vital local organization, Tri-Valley Haven assists adults and children who are experiencing domestic violence, sexual assault, homelessness, and poverty. Annually, we receive over 4,000 calls for help on our 24-hour crisis hot line. Tri-Valley Haven offers hope, safety, empowerment, and self-sufficiency to hundreds of families each year.

In the Tri-Valley area, Tri-Valley Haven runs the only confidential domestic violence shelter. This shelter, aptly named Shiloh for peace, is also the only local shelter that will accept boys ages 11 – 18 as part of families. Unfortunately, after 40 years of successfully housing families, Tri-Valley Haven's Domestic Violence Safety Shelter is in major structural decline. The best, and most economical way, to serve families and meet the growing, local need for emergency shelter, is for Tri-Valley Haven to build a new facility with 50% more capacity. That's 45 beds, up from 30! The new shelter will also have designated counseling and case management rooms, a computer lab, and safe outdoor and indoor play areas. At any given time, half of our shelter residents are children.

The Building Together Gala on April 13, 2024, will honor the amazing and generous donors who've already supported Tri-Valley Haven's Domestic Violence Shelter Rebuild. Together, we will celebrate our groundbreaking and raise funds for the final phase of Tri-Valley Haven's Rebuild. I invite you to join us! By sponsoring Tri-Valley Haven's Shelter Rebuild Gala, your business will proudly stand for the empowerment of survivors and children for the next 45 years. We deeply appreciate the community impact you will be making now and into the future. Thank you for partnering with us; Together we are creating homes safe from abuse.

Sincerely,

Christine Dillman  
Executive Director, Tri-Valley Haven

# ABOUT TRI-VALLEY HAVEN

Founded in 1977 by women who saw the need for shelter services for victims of domestic violence (DV) in the Tri-Valley Area, Tri-Valley Haven is a vital community organization that serves adults and children who have experienced domestic violence, sexual assault, homelessness or food insecurity in the Tri-Valley area.

Violence is no longer an outcome of conflict.

# ABOUT REBUILDING SHILOH

One of Tri-Valley Haven's most important services is our emergency shelter for families fleeing abuse in their homes. Tri-Valley Haven's Domestic Violence Shelter, aptly named SHILOH, for peace, has been a vital community resource for decades, sheltering thousands of local survivors and their children fleeing abuse, while they heal.

After many years of housing families, the current shelter is falling apart. Plumbing is failing, the roofs are tattered, the bedrooms are run down, and it is also not large enough to meet the current need. Tri-Valley Haven, with the generous support of our local cities, the county, and compassionate community members is re-building a new Domestic Violence Safety Shelter that will last decades on. This new shelter will have 45 beds, up from 30, so we'll help 50% more Tri-Valley individuals and families find safety and ultimately self-sufficiency. The shelter will also feature dedicated play areas for children, meeting areas for groups, therapy rooms and a quiet space for reflection.

The total budget for the rebuild is \$7.8 million. Tri-Valley Haven has successfully raised over \$6 million. We are hoping to raise some of the remaining funds through the "Building Together" Dinner Gala.

# PROPOSED TIMELINE

Residents at the existing shelter will be moved to a second site which will also remain confidential. Demolition and construction for the project begins in Spring 2024. The entire project is estimated to be for 18 months.

During this entire rebuild time, all domestic violence related services will continue to be provided.

# Shelter Rebuild Founding Supporters

Total budget for the rebuild is estimated at 7.85 million dollars. The county of Alameda has supported us with 2 million dollars in funding. The cities of Livermore, Pleasanton and Dublin has been extremely supportive to this project and between the three cities, we have received close to 1.5 million dollars in funding.
