# ABOUT TRI-VALLEY HAVEN

Founded in 1977, Tri-Valley Haven is a trusted nonprofit serving the Tri-Valley area. It supports adults and children facing domestic violence, sexual assault, homelessness, or poverty by providing safety, empowerment, and a path forward. The Haven operates the area's only confidential domestic violence shelter, the sole family shelter accepting teenage boys, and a 24-hour crisis hotline.

## MISSION

Creates homes safe from abuse  
Contributes to a more peaceful society  
One person, one family, one community at a time.  
Together we build a world without violence.

We envision a world and society full of beloved communities and safe families where every individual has the resources and conditions they need to thrive and resolve conflict. Violence is no longer an outcome of conflict.

## VISION

## IMPACT

For over 40 years, Tri-Valley Haven has been a beacon of hope, supporting individuals and families on their journeys to safety, empowerment, and independence. In fiscal year 2023-2024, our safe shelters provided refuge to over 200 residents of domestic violence and their children, offering a secure space for healing. Our counseling and advocacy services supported over 200 survivors of sexual assault, helping them rebuild confidence. Through our food pantry, we assisted more than 6,600 individuals and families facing hunger.

# JASMINE'S JOURNEY OF TRIUMPH

“*Jasmine*” arrived at Tri-Valley Haven’s domestic violence shelter after fleeing an abusive relationship, feeling lost and unsure of her future. With Tri-Valley Haven’s support, she gained confidence through counseling, job training, and community connections. Over time, *Jasmine* found stable employment and a place of her own, rebuilding her life step by step.

She returned to the shelter, this time as a volunteer, eager to help others find the hope and strength she had discovered.
