Rotary Clubs and Rotarian Foundation of Livermore Unite to Support Tri-Valley Haven's New Shelter

LIVERMORE, Calif. — September 23, 2026 — In collaboration for the Livermore community, the **Rotary Club of Livermore, Livermore Valley Rotary Club, and the Rotarian Foundation of Livermore (RFL)** are joining forces to present **Project Tri-Valley Haven**, a special community fundraising event benefiting **Tri-Valley Haven** and its vital services for individuals and families affected by domestic violence, sexual assault, homelessness, and food insecurity.

The event will take place on **Thursday, October 29, from 3:00 to 6:00 p.m. at 3 Steve's Winery in Livermore. The event is open to the public, and tickets are \$100 per person, including dinner, a live band, a live auction, and a "Fund a Need" opportunity** that will allow attendees to directly support the critical needs of Tri-Valley Haven. Wine will be available for purchase.

A significant focus of the fundraising effort will be supporting **Tri-Valley Haven's new domestic violence shelter**, which is nearing completion. The new facility represents an important investment in providing safety, shelter, and supportive services to individuals and families affected by domestic violence.

"The Rotarian Foundation of Livermore is proud to be part of this amazing project to expand services offered by the Tri-Valley Haven to provide safety, shelter and a new beginning for individuals and families affected by domestic violence," said **Marc Roberts, President of the Rotarian Foundation of Livermore.**

Mony Nop and Mary Anne Rozsa, Board Members of the Rotarian Foundation of Livermore and Co-Chairs of Project Tri-Valley Haven, emphasized that the event is about much more than raising money—it is about helping people find safety, hope, and a path forward.

"This event is about more than raising funds—it is about making a meaningful difference in the lives of individuals and families impacted by domestic violence. The new Tri-Valley Haven shelter represents a new beginning: a place where survivors can feel safe, find support, begin to heal, and have the opportunity to rebuild their lives free from violence. We hope our community will come together to support this important work and help Tri-Valley Haven provide safety, hope, and a path toward brighter future."

— **Mony Nop and Mary Ann Rozsa, Co-Chairs, Project Tri-Valley Haven**

This collaboration brings together **two local Rotary clubs and the Rotarian Foundation of Livermore for the first time in a joint fundraising effort of this kind**, demonstrating what can happen when community organizations work together around a shared mission.

The organizers are inviting **the entire community to participate**—whether by purchasing a ticket, attending with friends and family, or making a donation. Every contribution will help support Tri-Valley

Haven and its continued efforts to provide safety, shelter, and supportive services to people in need throughout the Tri-Valley.
